Re: MDL-1854 -- In re Tyson Foods, Inc., Fair Labor Standards Act Litigation

(See Attached Schedule of Actions)   3: 07cv53

Dear Judges:

    Presently before the Panel pursuant to 28 U.S.C. § 1407 is a motion to transfer which includes at least one action before you in the above-described docket. The parties will have an opportunity to fully brief the question of transfer and the matter will be considered at a bimonthly Panel hearing session. In the meantime, your jurisdiction continues until any transfer ruling by the Panel becomes effective.

    If you have a motion pending -- such as a motion to remand to state court (if the action was removed to your court) -- you are free to rule on the motion, of course, or wait until the Panel has decided the transfer issue. The latter course may be especially appropriate if the motion raises questions likely to arise in other actions in the transferee court and, in the interest of uniformity, might best be decided there if the Panel orders centralization.

    Please feel free to contact our staff in Washington with any questions.

Kindest regards,

Wm. Terrell Hodges
Chairman
